

# Privacy Policy (Event21 Co., Ltd.)

Event21 Co., Ltd. ("we", "our", or "us") is committed to protecting your personal information. We comply with applicable laws and regulations related to the protection of personal data, and we make every effort to ensure your information is handled with the utmost care and responsibility.

This policy applies to all individuals who interact with us, including but not limited to clients and individuals making inquiries.

---

## 1. Compliance with Laws and Regulations

We handle personal information in compliance with all relevant laws and regulations concerning data protection, as well as this privacy policy.

---

## 2. Purpose of Use

We will use personal information only within the scope necessary for the following purposes:

- To perform tasks delegated by the customer.
  - To communicate with the customer regarding administrative matters.
  - For after-sales support, greetings, and other related correspondence.
  - To contact participants in our open company events, career education programs, and internships; to provide feedback, issue compensation or reimbursements; or to contact participants for any other necessary reason.
- 

## 3. Proper Collection of Personal Information

We collect personal information only to the extent necessary and through appropriate, legal, and fair means.

---

## 4. Disclosure to Third Parties

We do not disclose or provide personal information to third parties without the individual's consent, except in the following cases:

- When the individual has provided consent.
  - When disclosure is required by law or requested by a government authority (e.g., police).
  - When otherwise required by applicable laws or regulations.
- 

## **5. Disclosure and Correction of Personal Information**

If a customer requests disclosure or correction of their personal information, we will respond promptly after verifying the individual's identity.

We reserve the right to deny such requests if we cannot confirm that the request was made by the data subject.

---

## **6. Access Log Recording**

Our website records and stores access logs, including IP addresses of users.

These logs are used solely for statistical analysis of website access trends or for diagnosing technical issues on our server.

The analysis results may be used to help us improve the site's usability and performance.

---

## **Disclaimer**

We make every effort to ensure the accuracy of the information posted on this website. However, we assume no responsibility for any actions taken by users based on the information provided.

All use of the content is at the discretion and responsibility of the user.

The content of this website may be changed or deleted without prior notice.

We are not liable for any direct or indirect loss, damages, or troubles arising from the use of this website.
